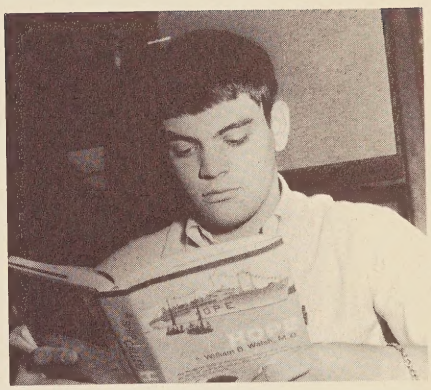
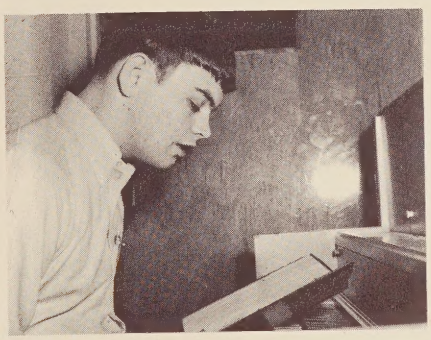
Our Play in Life





ALL THE WORLD'S A STAGE

And all the men & women merely players;
They have their exits and their entrances;
And one man in his time plays many parts.

William Shakespeare
From "As You Like It"

LIGHTS! CAMERA! ACTION!

Reels of film begin rolling when the actors of Central begin "hamming" it up in their roles as a student body.

PROMPTING AND CHARACTERIZATION

REHEARSAL—THAT ALL

important factor in having a hit—is one phase of acting in which Central students excel.

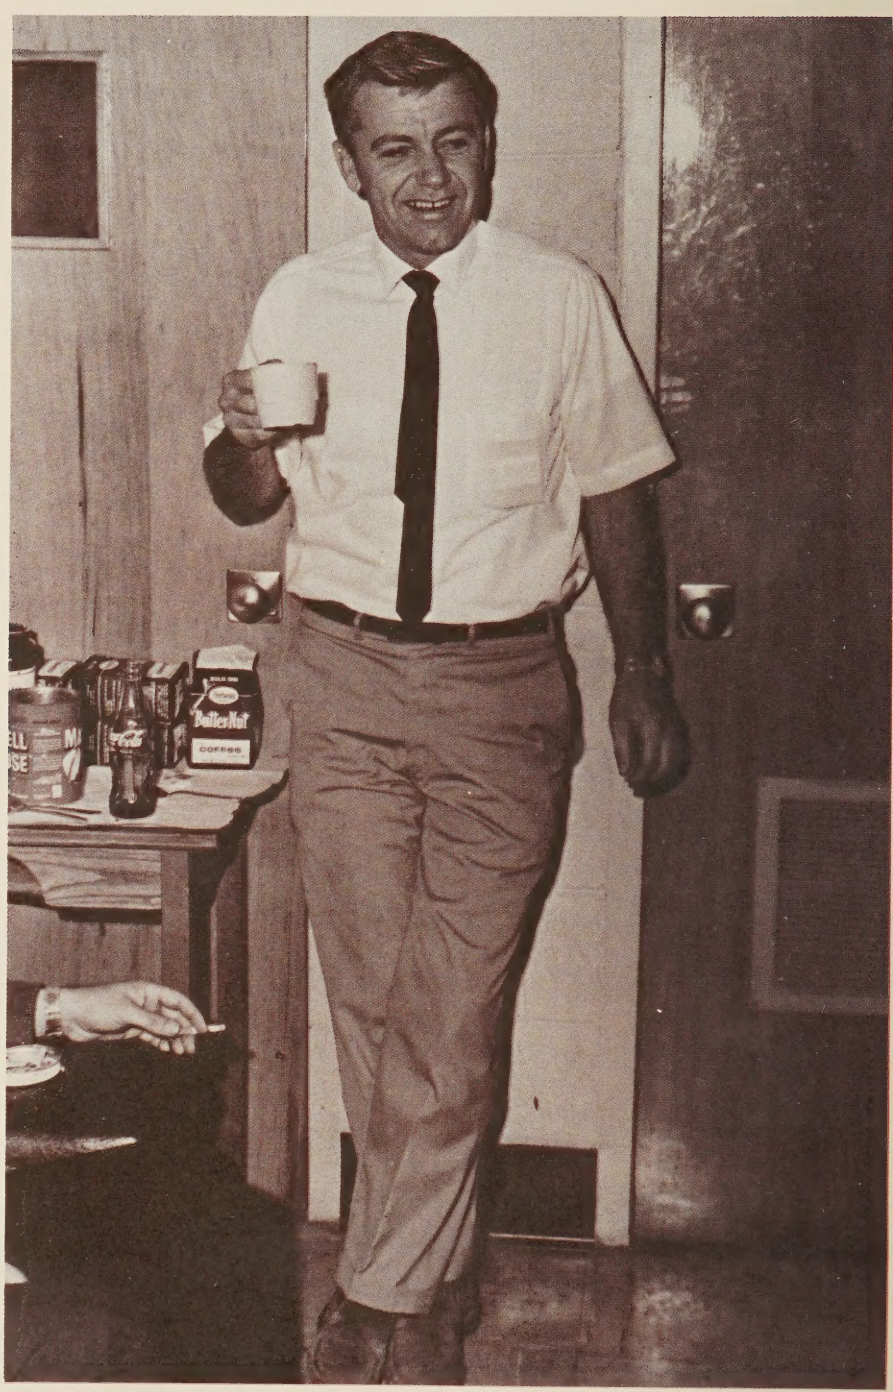
The Critic's Choice

To our "Leading Man", Mr. Hayden Thomas, we, the Senior Class, proudly dedicate this 1969 Spartan. You have played your part well, as a teacher and leader. You have guided us faithfully from our first case of "stage fright" through many rehearsals to see us through and then remained behind to begin again. May we again say thank you, Mr. Thomas.

Two "ole timers."



His smile and cup of coffee symbolize Mr. Thomas.

Central's Cheerleaders "Go Wild."

Our energetic cheerleaders continually shower the school with spirit. They show an undying effort in the support of all our Spartan teams. They not only lead us in our pep rallies but throughout the week make signs and posters to decorate our halls. Without a doubt, the cheerleaders are an important part in our sports.

Junior Varsity Cheerleaders play an important part in J. V. games. This gives them plenty of good practice for the time when they will become Varsity Cheerleaders.

Enthusiastic J. V. Cheerleaders include from left to right: D. Hill, B. Power, V. Morrow, B. Smith, S. Hedrick, chief; B. Sutton, Y. Cross, and D. Sechrist.

Our Strutting Music Men

Central High School's mighty band does much to support school spirit throughout the school year. School spirit is pepped up at pep rallies and ballgames with the aid of the band. Under the direction of Mr. Carlos Prado, the band participates in many parades. This year they have played in Lexington's Veteran's Day Parade and Christmas parades of Lexington, Mooresville, High Point, and Denton.

To help provide new instruments, the members of the band are selling all-purpose cleaner. Many elementary schools throughout the Central district have been entertained by various visits of the band.

We salute the Central High School Band for their tremendous support during this year.

Central students swing to the "cool soul" music.

Socializing is a big part of every dance.

May Court Radiates during Spring

Maid of Honor, Nancy Young

May Day Queen, Debbie Conrad

April showers and spring flowers usher in the month of May. With this comes the May Day festivities at Central High. May Day is highlighted with the presentation of the May Queen and her court. These spring beauties represent their various classes in fine fashion. The court is entertained by the colorful May-pole Dances. This presentation adds an air of spring to everyone's surroundings.

'Three Coins in a Fountain'

Central's 1967-68 Jr.-Sr. Prom was a dramatic event enjoyed by all. One of the highlights of the prom was the honoring of the King and Queen by class officers. Dancing entertainment was provided by the Fabulous Tornadoes.

Students danced around a spouting fountain which projected the theme of the prom "Three Coins in a Fountain." Officers of the Junior and Senior classes participated in a special dance.

Queen Cheryl McCarn and King Keith Smith gracefully reigned over the 1967-1968 Jr.-Sr. Prom.

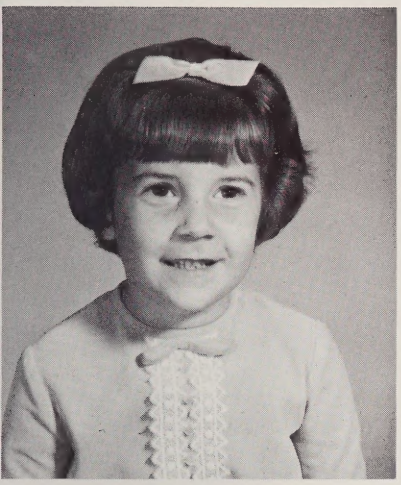
Boosters of Morale and Finances

Members of the National Honor Society worked hard during the Christmas season preparing food and toys for the needy families in this area. The White Christmas Drive is one way the students at Central can show their concern for the welfare of the less fortunate families.

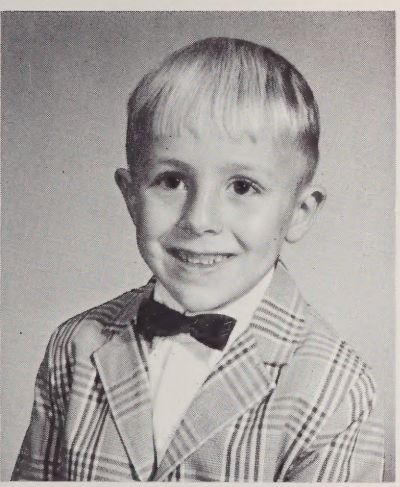
Juniors work diligently each year selling magazines to raise money for the Junior-Senior Prom. This is a popular sale because the Juniors know the importance of having a successful Prom. High salesmen and high selling classes are given prizes.

Students at Central have proved to be excellent salesmen. In the fall they successfully sold World's Finest Chocolate and Wagon Wheel candy. The money raised is used in financing the school. High salesmen were given prizes, including a trip to a special event of their choice. This candy is not only fun to sell, it tastes good too!

Graduation—The Climax!



Mascot, Carol Briggs.



Mascot, Trent Russell.

As the blooming flowers and chirping birds begin to make their appearance upon the campus of CHS, in the spring, all the seniors begin to realize that their time in school is drawing to an end. It's a sad time for many who are afraid to let go of the close ties that they have made, but for others it's a time of exuberance and the experiencing of a sense of freedom. They are now ready to go out into the vast unknown world that surrounds them and begin a whole new life of experiences, tragedies, and joys. Central has tried to prepare each of these seniors for the realities of life that they must now face, and from the expressions upon their faces of graduation, it's doing an excellent job.

Eternal reminders of that important phase of school.

FNP—

"FNP all the way!"

Nelson Penninger, as president of Central's student body, has been the guiding force behind all the improvements in student life made this year. His energetic spirit has rubbed off on everyone, including the faculty, and has led to a better student-teacher relationship.

Nelson is such an outgoing person that he can never be satisfied with mediocre projects so that due to his hard work, Central has become Number One in every aspect of school life.

Without the enthusiasm of such a personality as Nelson, Central could never be what it is today. The students want to say to you, Nelson, "May only the best in everything come your way."

Spartan Press Rolls On!

Members of the Journalism Class play a big part in spreading the school news. Editor of the Spartacus, Gloria Davis and Mrs. Bennett, advisor, assign each member of the class an article to report on for the upcoming edition. The students then work diligently to perfect their articles. The Spartacus publicizes various articles on school activities, sports, honors, teachers, and comics pertaining to the students at Central.

Production of a newspaper requires much work and preparation.

Yearbook Enthusiasts

Amid flaring tempers, long periods of unyielding concentration and disgusting staff meetings, an annual is conceived. Its development is slow, requiring long hours of toil to perfect copy and assemble pictures. The final touches are made and the staff eagerly awaits the delivery from the publishing company. At last the annual is ready to make its debut to the students of Central. The Spartan staff sincerely hopes that through its efforts, you may someday be able to relive your wonderful days at C.H.S.

Through active participation, they learn how to work together, solving their own problems. The F.F.A. placed second in the livestock judging at the county fair. Four freshman students placed fourth in a tool identification contest at Ledford. Members of the F.F.A. visited the state fair this year and participated in various additional projects.

F.H.A. girls have been striving to promote better understanding of homemaking activities. Their fashion booth at the Davidson County Fair won first place. Besides baby sitting during P.T.A. they have also sold hand cream, photo albums, and necklaces to earn money to send a delegate to the F.H.A. convention in Colorado.

Christmas carols, a tree, and individual gifts for rest home patients are another example of the girls' energetic spirit. Perhaps one of them will be crowned Miss Central in their spring con-

Future Role in Life

Members of the FBLA worked diligently to compile a student directory which lists the names, addresses, and telephone numbers of Central's students. The money raised from this project was used to send some members to the FBLA convention in Durham. The club also elected Donna Meredith to reign as Miss F.B.L.A. The purpose of this club is to promote better business education among students.

Members of the Future Teachers of America have really been on the move this year. All the meetings were interesting because of the most informative speakers. A spaghetti supper was the fund raising project for the year. The money is used for a scholarship to be given to some worthy senior member of the club.

Skillful Training

After being detained for most of the first semester, the Graphics Industrial Communications class was at last able to move into its new building to begin work. The first items to roll off the Central press were the Christmas cards which were given to each student. Students of G.I.C. receive pratical education in learning such things as design and lay-out and the operation of cameras and offset presses.

Industrial Co-operative Training is a program between industry and schools. The I.C.T. student attends morning classes at school, including one I.C.T. class. His afternoon is occupied with on-the-job training in some job or trade, such as auto mechanic or seamstress. This program allows the student to learn a skill and make money at the same time.

Bonjour o Adiós

Getting acquainted with French restaurants, currency, and the Louvre Museum have been a few of the French Club program topics. Future plans include a banquet, a play for elementary schools, a party, a trip to a Greensboro play, and Language Day at High Point. A plaque is to be placed in the hall honoring the most outstanding French Student.

The main purpose of this club is to create an interest in the language and culture of France, and to afford the students an opportunity to learn more about France. To inspire students to take a greater interest in the French people is still another goal.

Buenos Dias, ¿Como esta usted? This is a familiar phrase known by the members of the Spanish Club. The purpose of the club is to bring the students closer to this exotic language and to teach them about the people of Spain. Spanish songs, games, and films are used to entertain and educate the students. The members of the club broke a pinata, filled with candy, during their Christmas festivities. This is an old tradition in Spain.

Victors Must Have Patience

For the first few club meetings, members of the Chess Club tried to learn the finer points of chess. Later, tournaments were set up to select the CHS champions. They competed in the tournaments set up with other schools. In doing these things, the club attempts to promote the student's playing and understanding of chess.

Hunting and Fishing are rugged sports enjoyed by many outdoorsmen, especially the members of the Hunting and Fishing club. During their meetings they have had Game Warden, Bill Hedrick, to speak about the game rules and regulations. Members of the club enjoyed camping out and have planned a spring skeet shoot. The purpose of the club is to teach good sportsmanship, game laws and ways of socializing.

Spartan Backers Make the Scene

This year the Central Pep Club has played an important part in promoting school spirit. Besides exhibiting spirit at pep rallies, they have sold shakers, license plates, stickers, and booster buttons. The chartered buses were always a success among the members of C.H.S.

An original card section representing a C was used during Homecoming.

C.H.S. has a very active club this year with the help of an exceptional leader, Mr. Hutchinson.

Gridmen Charge Into NPC

Central, having finished last season in the CCC, moved its football team into the N.P.C. along with our other sports. The Spartans had many tough foes and seized a single victory for the season's work. This win was in the normal Spartan fashion, the gridmen pouring it on to trounce North Iredell 45–13.

Leading the Spartan team was Tri-captain Doug Hunt, who became Central's first to make All-Conference as well as to receive Honorable Mention for All-State. Rodney Grubb led our passing attack, completing 81 of 168 passes, to gain 952 yards. Scoring leaders were Doug Hunt with 31 points, Steve Parks with 24 points, John Carrickhoff scoring 12 points, and David Hunt, 11 points.

The Spartans had their heroes, but it takes more than four or five to make a team. Along with the numerous other team members there is a coach. The coach struggles along with his team through every play, and he strives to correct his team's mistakes.

Each team member should be thanked for the tremendous team spirit and undying effort that was packed into every game. A lot of hard work was put into the season, and we're proud of you!

A Team Deemed Outstanding

Central's Spartanettes started the season off right with a rousing victory of 47-20 over West Davidson. This nonconference contest really warned conference foes that Central was off and in the running for top honors in the basketball race.

Throughout the season our lady Spartans continued to improve. All team members agree that the happiest moment for the team was defeating Davie County in overtime by a score of 40-35. Another very happy moment for the Spartanettes was crushing the North Davidson team by a score of 45-18.

After compiling a record of 17-3 for the season, the girls prepared to face North Iredell in the first game of the tournament. An off night by the Spartans gained a victory for North Iredell.

This year Central led the conference in All-Conference selections, landing three on the team. Those chosen from Central were tri-captains Brenda Hines, Debbie Sexton, and Lynn Kearney.

Since only two seniors, Brenda Hines and Jo Lynn Everhart are graduating, the lady Spartans are looking forward to another fine season next year.

Can Do No Less

A girl's basketball game is sometimes said to be the preliminary contest to the boy's game. Central's Lady Spartans have shown everyone just how exciting and enjoyable a girl's game can be. We find outstanding leadership in the Tri-Captains but there are fifteen other valuable members on the team. These members are the following:

1. Patrice Kepley

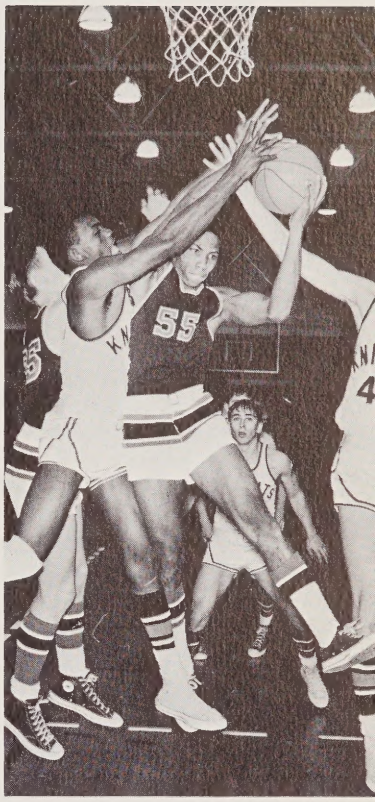
J.V.'s Bring Home Trophy

After compiling a record of 12-6, Central's Junior Varsity Team finished the season in fifth place. Amazingly, the "team of the future" pulled off three straight upsets to bring home a trophy. Oddly enough the three victories were taken from three Norths and each was defeated by a single point.

In first round action Central defeated North Stanley in a thriller by the score of 40-39. Through mounting tension the Jr. Spartans came through over North Davidson, 47-46. By the final night of action everyone was out to support the team. Much to the delight of all fans present, the "mighty" Spartans defeated North Rowan 50-49.

Junior Varsity players, as well as Central's Freshmen Team, build for the future, for one day they will fill the shoes of those who have done so well in the past.



Melvin Walser, 55, proved to be an outstanding Junior Varsity player and was soon recruited to the Varsity squad.

Junior Varsity Basketball Team members are, from left to right: D. Hedrick, M. Walser, M. Garner, R. Crotts, D. Myers, and T. Hedrick. Second row, left to right: Mr. Hutchinson, Coach; M. Lambrose, Manager; J. Davis, F. Warfford, B. Walser, M. Conrad, and J. Sink.

A team with agility, inner teamwork, and a never-say-die spirit easily describes the 1968-1969 Varsity Basketball Team. With a willingness to conquer every foe, the Spartans placed third at the end of the regular season. The Spartans compiled a record of 13-7 overall.

The moment of real triumph for the Spartans was the victory over Davie County High. Central had the only team in the conference able to overpower the Davie team. After a hard fought game Davie was defeated 55-52.

Central placed two excellent senior players on the All-Conference Team. Doug Hunt, outstanding forward and Steve Lambeth, a sharpshooting guard were honored by being selected.

Aggressive Matmen

Wrestlers, in their third year of competition, are improving with every season. Practice has become a habit with each team member and with each day skills and holds are strengthened.

Among the leading Wrestlers are seniors, Rickey Ghoens, Richard Craver, co-captain; and Roger Lookabill, co-captain. These have been responsible for garnering many valuable points in various matches. Other standouts are junior, Randy Davis and sophomore, Bobby Young.

Looking over the highlights of the season, the one that stands out the most is the fabulous win over Lexington. After losing to them in'68 by a score of 26-24 the Spartans came back this year to defeat Lexington by a score of 34-23. Spartan Wrestlers also grabbed another victory. This defeat was handed to Starmount, leaving them with a score of 29-24.

Members of the Wrestling Team are from, left to right: R. Davis, B. Young, R. Ghoens, G. Hedrick, R. Craver, W. Crawford, and D. Harvey. Second row, left to right: Mr. Hampton, Coach; R. Players for the 1968 Baseball Team compiled an impressive record of 10-8. Coach Hampton reported that the highlight of the season was beating arch-rival North Davidson 3-2 in an exciting conference match. Two of our boys, George Kearney and Neal Woodall made All-Conference for the output of some fine playing.

This year the Spartans are headed by Coach Allen Brown. With ten lettermen returning, the team is looking forward to a new and even better season.

2. An expert slide brings Scott Kepley safely to second base.
3. Pitcher Rodney Grubb sends another strike across the plate.
4. Pitcher Rodney Grubb runs off course to scoop a grounder.

Sprint—Hurdle—Dash

Senior, Steve Kepley, strides home after the 100-yard dash.

Fans at Central know there is nothing quite like a track meet to bring on real competition. To be ready to compete, the athlete must work hard to achieve strength and body skill. Acquiring these skills demands hard work and practice.

The Spartan Cindermen are in their second year of NPC competition. An alert coach, Mr. Hutchinson, says the team hasn't been ready in the past but they plan to be this year.

Track Team members include first row, left to right: D. Hedrick, J. Davis, C. Jarrett, R. Davis, and D. Hutchinson, Coach. Second row, left to right: D. Smith, G. Stanford, J. Renas, R. Crotts, and K. Greene. Third row, left to right: S. Pickett, B. Walser, D. Myers, and Steve Kepley.

Golfers, Swing Those Irons!

Senior golfer, Eddie Putman tees off for some action in a highlight match.

Golf is a sport at Central that is played by few but is gaining interest among many. Every new year brings more and more who want to learn the game.

Practice seems to be the key word for golfers this year. All these practice sessions will be held on the green in Lexington.

With three returning lettermen, Coach Scott reports that the team is looking forward to a good season.

Golfers for the 1969 team are from left to right: M. Tarleton, D. Young, and C. George. Second row, left to right: P. Hedrick, A. Myers, and E. Putnam.

DIRECTING AND PRODUCING

**the Spartan dramatic
Success is the faculty
and administration. Quality
is its strength.**

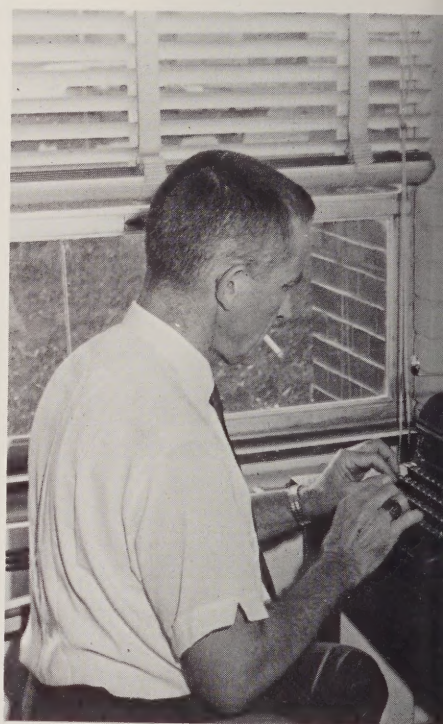
Central's Cecil B. DeMille

I pledge allegiance------

As there is a director behind every play, there is also a principal running every school. He works–sometimes quietly and sometimes not so quietly–for the welfare of Central and every student of the student body.

His daily tasks are innumerable: announcements to inform the students of school activities, meetings to attend, the discipline of students, and continual checks to make sure the school is running smoothly. Aside from these daily matters there are many evenings spent working late and numerous sleepless nights.

The Central students would like to thank our principal, Mr. D. H. Young, for the many services rendered during the past year.



Mr. Young took typing too!

Co-directors at Work

Central's new assistant principal is Mr. Clayton Swicegood, a favorite among CHS students. Every morning he is greeted with throngs of students waiting to have excuses signed. Occasionally he is thrust into a higher position as he is acting principal in Mr. Young's absence. Thanks go to Mr. Swicegood for a job well-done.

Cheerful, courteous, and helpful—all are adjectives to describe our secretary, Mrs. Michael. Her mornings begin with the selling of lunch tickets and the making of change for students. As the day progresses, she helps keep the school running with her daily chores such as carrying on the school correspondence. She renders advice to many students. The students would like to offer grateful appreciation to you, Mrs. Michael.

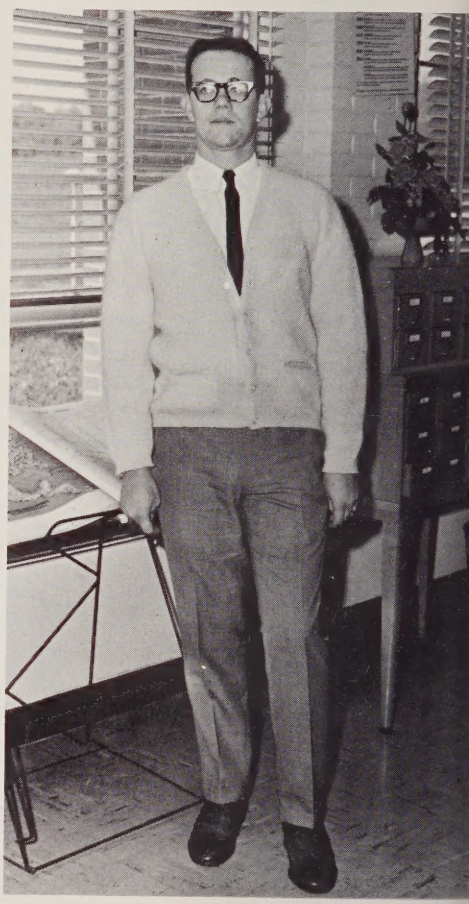
Leaders to Guide Our Way

Into the production of every major play, there are always those backstage workers who are essential to its excellent performance, but who receive no Oscars or Emmies for their untiring devotion to getting the job done. At Central we have three such workers, Mrs. Janet Green, Miss Ronda Robbins, and Mr. Ronald Ritter. Without their concern for the welfare of students and their never-ending desire to be of help to someone, Central could never be such an outstanding school.

Due to the assistance of these important backstage workers, Central has no problem in keeping the "show on the road". To you three we say "Thank you".

Mrs. Janet Green, Guidance Counselor, in her daily tasks has assisted many students at Central in selecting their roles for the future. Signing students up for tests, sending transcripts, advising, counseling, seeking scholarships, and serving as advisor to the Guidance and F.T.A. clubs are only a few of the many chores that go into making an outstanding director of Central's students. Mrs. Green is one who will always be called back for many encores.

Miss Rhonda Robbins, serving as Dean of Girls, has the distinction of being the one to whom all the actresses of Central run with their problems. She must take care of missed cues, stage fright, faulty dress and makeup, and all those little tragedies that can befall a teenage girl. Her wit and smiling face have helped overcome their fears, and therefore she will always receive Central's bouquet of roses at the end of each school year.



Mr. Ronald Ritter, as master of ceremonies in Central's library, has no easy job. Keeping up with books, finding reference material, aiding teachers with audio-visual equipment, checking on lost materials, and taking up over-due fines are tasks which keep him hopping. As keeper of our storehouse of knowledge, Central wishes to commend Mr. Ritter for an excellent job.

Board Members Work Behind the Curtains

These are the giants in the field of education of Davidson County and C.H.S. They are the authors of many of our rules and regulations and they frequently observe us to make sure things are going smoothly. Throughout the year they attend our social functions and show their concern and thoughtfulness for us.

Assistant Superintendent

Shakespearean Influences

As all drama critics know, to be an outstanding actor or actress one must possess a command of the English language–its intonations, pronunciations, and varied inflections of sounds. The English Department at Central is striving to accomplish this task plus giving each student a wide vocabulary, an understanding of sentence and writing structures, and an acquaintance with some of the great authors of literature. Combination of all these ingredients leads to the elimination of having an all-star cast, here at Central High School.

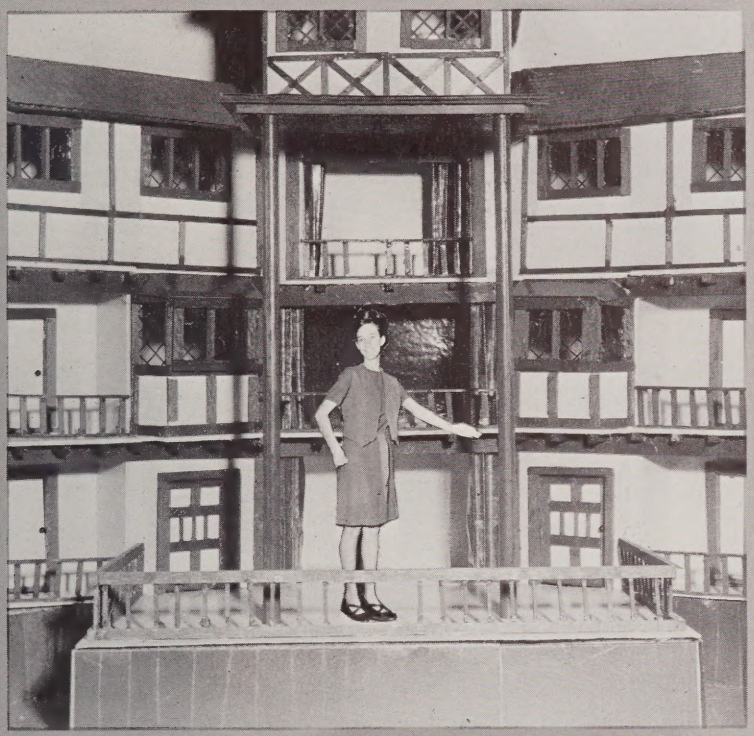
Foreign Cultures are Exposed

Donna Hedrick finds Shakespeare's Globe Theatre, a "swinging" place.



Performers must travel the world to please their fans.

Knowledge in foreign languages is always an asset to any performer, and here at Central courses in French and Spanish are offered. Students are learning to please their audiences in all types of situations and with different languages.

Discovery '69

All occurrences in nature and man must have some explainable reason, and the Science Department strives to give the students at Central definable reasons for each of them. With inter-planetary flight and exchange of ideals looming in the near future, the students are investigating and solving many of the mysteries of life so that they will be prepared for the new scientific-oriented life in which they will participate. Each is discovering the role science will play in the future of our world.

Formulas, Exponents, and Graphs

Progress in the scientific discoveries that are made every day has been based on the knowledge of mathmatical foundations. Realizing this, the Math Department is working constantly and diligently to give each student at Central only the best in mathmatical fundamentals. Whether they are solving equations, plotting graphs, interpreting verbal problems, or searching for unknowns, each student is made aware of the importance of math in tomorrow's world. Upon making this realization, each student in turn then strives to solve the answers to future discoveries based on the excellent training he has received.

Why? When? Where? What?

Each teenager of today is seeking to understand the world and generation in which he is living and to aid him in this search, the Social Studies Department provides the basis on which he may reach conclusions. Acquainting the students with the "why's" and "hows" of past ages and civilizations has aided them greatly in making decisions about how they want their age to be remembered in the years to come.

In the world of today's high finance, all potential actors and actresses must have a working knowledge of business matters and modes of correspondence. The Business Department fulfills all these requirements and more by providing the necessary essentials for a successful business manager. Using only the best in equipment and techniques, each student is given an insight into what lies ahead for them in the business world.

The Spartan Work Team

As everyone knows, each individual in today's society has his own special talent, and the Vocational Department of Central is always striving to meet the demands of these talents. Training students in specialized jobs has become a very important part of our curriculum, and many students have discovered they are the proud possessors of hidden talents or abilities. Whether they are building a shelf, learning to sew a dart, planting a shrub, printing greeting cards, or adjusting to the trials of dealing with the public, each student is given invaluable assistance and individual attention to aid him in accepting the challenges of the future.

Workers Around the Clock

Much work is done behind the scenes during our daily lives at Central. Our hard working teacher's aids are constantly encountered with numerous errands to run. The custodians labor daily to keep our school building neat and clean. Our cafeteria staff provides us with a variety of delicious meals.

Central's courageous driver's education teachers work with students each day, teaching them the rules and regulations of driving.

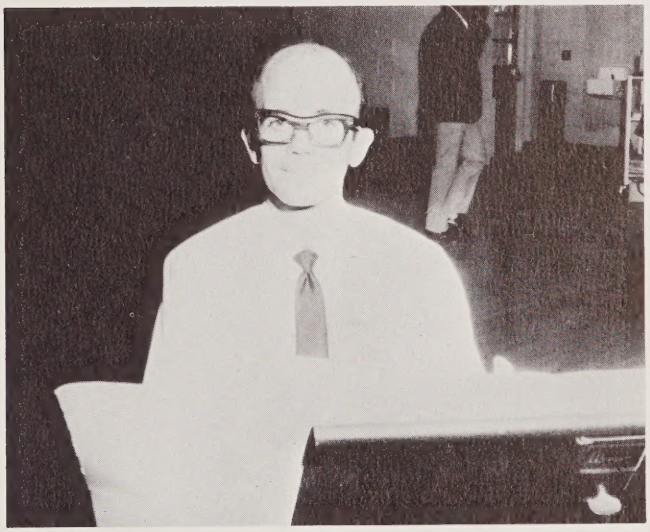
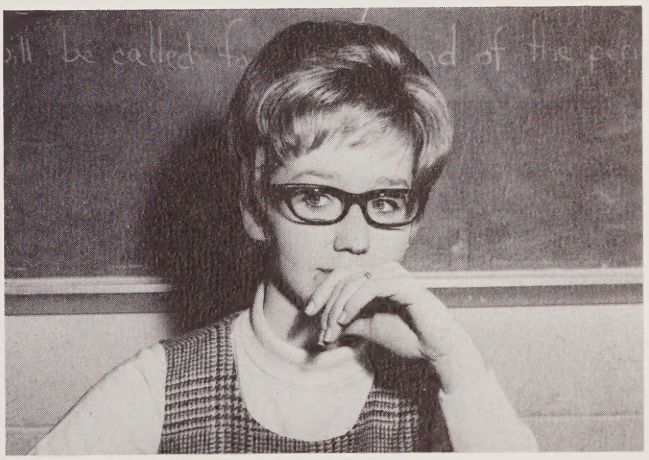
Artist on the Move

Central's musical entertainment is provided by our rhythm making band under the direction of Mr. Carlos Prado. Mr. Prado received his B.S. degree at High Point College. He keeps the band moving with new, musical ideas for the pep rallies and assemblies.





Ability to produce fine art is a real talent. Mrs. Jane Bennett, supervisor of the art class, helps the students develop their own artistic abilities. Mrs. Bennett received her A.B. degree at Wake Forest University. The art class provides us with colorful bulletin boards and artistic creations.

dignified seniors, ambitious juniors, sociable sophomores, suffering freshmen, the 1968-69 Spartan cast premiers with another hit production.

Supporting Players Begin their

Confused, but happy faces filled our busy halls when the 1968-69 freshmen class became a part of Central. Their puzzled looks, numerous questions, and fast beating hearts were only a small part of the beginning of something big. Although being a freshman may seem mediocre, they will be the backbone of our school, our teams, and other class activities in the near future. The freshmen class has devoted much of its time and effort in making Central a better, more spirited school.

Sophomores Hold the Ticket to the Future

Anticipating a fun-filled year, sophomores are ready to get started. Many are able to endure driver's education with only the hope that they will soon get their driver's licenses. Much of their time is consumed with sports, school, parties, and dates. They share many good times with old friends and new acquaintances. Realizing that they will soon shed their supporting roles and step into the limelight causes eagerness for their coming junior year.

Members of the sophomore class officers include, left to right: Johnny Maddox, secretary-treasurer; Vickie Morrow, president; Freddie Miller, representative; and Rodney Owens, vice-president.

Central's Future Stars In Spartanland

Upon arriving at school, juniors are greeted with a whirlwind of activities. As the curtain draws open to the new year, they immediately begin work. Selling magazines and sponsoring a "Good Guys" basketball game provide money for the Junior-Senior Prom. School pride swells as they receive their classrings. Finally after much hard work, the big night of the Junior-Senior arrives. Along with these big events, they must take time for study and other school activities. Now they may look forward to their final, senior year at Central.

Junior Class Officers are, left to right: Ricky Jarrell, representative; Debbie Sexton, treasurer; Glenda Harvey, secretary; Marsha Leonard, vice-president; and Joe Pope, president.

Spartan Stars

Our energetic senior class has played its part well as strong leaders of the student body. They have proved that teen-agers are concerned about the world. Their open-mindedness has lighted the way for underclassmen to ascend and accept their role as seniors.

Among studying, ballgames, dating, and other activities, there are many moments of decision and reminiscence, deciding about the future and anxiously awaiting graduation and the beginning of a new life.

Senior Class Officers are, left to right: Debbie Conrad, secretary; Patricia Hedrick, treasurer; Tommy Younts, president; Donna Hedrick, representative; and Doug Hunt, vice-president.

Graduation—
Central's Most Important Role

The Students—
Central's Fine Cast

Our Play in Life

As the curtain begins to close to end the school year, it is now time to review this and other years spent at Central. We enter as freshmen, very excited and somewhat scared. Bonds, remnants of elementary school, soon disappear and we become one, sharing victory and defeat, happiness and sorrow. As sophomores, we become better acquainted with the sets of Central, preparing ourselves for the very important junior and senior years.

While some in each class emerge as stars, others work diligently to support them. There are many diverse roles for us to assume: student, athlete, club member, and others. Each student must strive to put his best effort in each role he takes.

With the last moments escaping from our grasp, seniors realize that these past four years have only been a stepping stone to greater and more important things to come. It is time to shed the role as a high school student and accept the greater responsibilities of the adult world. Those returning next year must resolve to cling to each moment and to make the most of each experience, for all too soon Central will be only a memory. These years can never be relived. This role will soon be completed.
